President's Message

Once again it is my privilege to introduce to you on the next two pages your National Board of Directors. They are a fine group of railroad women dedicated to the objectives of our Association. I sincerely hope, this coming year, that each of you will have an opportunity to know them better.

We have endeavored in this issue of your national magazine to give you, the individual member, as much information on your national organization as possible. We hope you will enjoy reading it and take time to give us your comments.

Throughout this year will you of N.A.R.B.W. remember with me a prayer of St. Francis of Assisi and with it in mind always work together calmly, cheerily, with the determination to make this our best year.

Lord make me a channel of Thy peace,
That where there is hatred — I may bring love,
That where there is wrong — I may bring the spirit of forgiveness,
That where there is discord — I may bring harmony,
That where there is error — I may bring truth,
That where there is doubt — I may bring faith,
That where there is despair — I may bring hope,
That where there are shadows — I may bring Thy light,
That where there is sadness — I may bring joy.

Lord, grant that I may seek rather
To comfort — than to be comforted;
To understand — than to be understood;
To love — than to be loved;

For,
It is by giving — that one receives;
It is by self-forgetting — that one finds;
It is by forgiving — that one is forgiven;
It is by dying — that one awakens to eternal life.

God Bless You.
