## MESSAGE FROM THE NATIONAL PRESIDENT

The 66<sup>th</sup> Annual Convention held in Roanoke has come and gone. I can't say enough good about the Convention (don't want to brag). All our ladies did a great job planning and fun was had by all. Pat Prillaman, Roanoke Chapter President, Virginia Austin, Convention Chairman, and all the ladies of the Roanoke Chapter made sure every event was well planned and executed (even Elvis' performance). I personally want to thank them for the time they spent making this another memorable convention and their support of me. We had approximately 100 members and guests. If you did not attend, you missed a wonderful convention.

We made two big decisions, (1) abolished districts and (2) to hire Vanguard as our Financial Institution. Unfortunately, Vanguard was not a fit for us. There was some miscommunication with them. They only advise clients with \$1,000,000 or more. It was the consensus of the Investment Committee that everything remains status quo until the 2011 Convention. The Committee will make a full investigation of the next financial institution before recommending it at the next convention. They also will search for the highest CD interest rate available on our 3 CD's which mature in June and July.

Our Board Meeting will be held in Maryland-Baltimore Airport. We will host a Meet and Greet. Krista Pohl, Membership Chairman, is working hard to make sure it is a great success. Anita Jeppi, Baltimore President, Pat Lewis, National Secretary, and chapter member, are assisting Krista; and we are expecting an increase in the membership of the Baltimore Chapter.

With the districts gone, you will have a break in September and October, giving you time to relax from the hustle and bustle of going to the District Conferences.

Please, Ladies, consider attending the 67<sup>th</sup> National Convention in Omaha, NE. Let's make this the biggest in many years (200 or more). The Omaha Chapter ladies, along with Amy Schapp, Convention Chairman, are well on their way in the planning of this Convention.

Chicago has bid for the 2012 Convention.

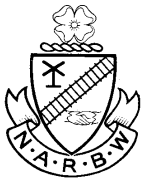

Ladies, let's stop the decline in membership, showing how positive we can be about NARBW. As one of Roanoke's members, Linda Koester, stated we are "the best kept secret." Let's no longer be a secret, tell your friends, relatives and coworkers about our organization, our scholarships, our community service and our friends across the U.S.

I am proud to serve as your President and look forward to the opportunity of carrying our organization to membership highs and preserving our financial stability, you can't have one without the other.

Have a great summer. *Joyce*

Mary is what makes the Omaha Chapter strong; she has tripled the amount of projects and community charities, added new ways to give back to the community, worked with the local animal shelters, Salvation Army bell ringing campaign, and created additional places for mitten trees. She cultivates their relationship with the Youth Emergency Services by holding “baby showers” for homeless pregnant women, assists in dinners for the Ronald McDonald House, collects pop tabs and soup labels, and many other welfare projects. She served as National Treasurer for eight (8) years. Joan began her employment with Conrail in 1972. She lost her job in 2000 when Conrail was purchased by NS and CSX. She completed her 30 years working at the Strasburg Railroad and loves the job so much she continues to work there. She donates her time and money to breast cancer research and many other causes, she volunteers for any charitable opportunity the chapter endeavors into, yard sales, fundraisers, and purchasing toys for Eliza Shirley House. ## ***Farewell to Districts...***

Due to our total membership no longer warranting being divided into districts and the size of our organization now being such that it is not difficult for the National Officers to deal directly with the Chapter representatives—a proposed amendment to the National Bylaws to eliminate districts and distribute their funds to the chapters was presented.

The proposed amendment passed at Convention 2010 in Roanoke, Virginia.

### **Districts were eliminated.**

Those attending the final district lunches are shown on these photographs.
